Profile

Mr. Dallal is an associate in the Environmental practice of our firm.

Mr. Dallal specializes in a wide range of legal aspects including air quality control, radiation, noise pollution, water pollution (sea, streams and sewage), soil contamination, hazardous waste and recycling.

Within this framework, Mr. Dallal advises the firm's clients with respect to business licensing procedures, planning and zoning procedures that have an environmental impact and diverse land use procedures with various environmental aspects. In addition, Mr. Dallal provides legal advice regarding the environmental aspects of merger and acquisition transactions, including negotiations, Environmental Due Diligence, and more.
