#### Profile

---

Adv. Adam Kadesh is a partner in FISCHER's tax practice. Adam has over 13 years of experience in the taxation field, and holds extensive knowledge in all areas of taxation, including corporate taxation, individual taxation, international taxation, taxation of mergers and acquisitions, trust taxation, VAT, land taxation, and the Encouragement of Capital Investments Law.

Adam provides legal advice and tax planning services to companies and individuals, residents of Israel and foreign resident. Adam represents clients in front of the ITA in various aspects, including for the purpose of obtaining preliminary approvals ("pre-rulings"), filing tax objections and managing assessment proceedings, voluntary disclosure proceedings, and more.

Adam has extensive experience in representing taxpayers against the tax authorities in front of the competent courts, including income tax appeals, VAT appeals, appeals under the Land Taxation Law, and representation of taxpayers in front of the Supreme Court in groundbreaking tax cases.
