Profile

Ms. Noy Draham is an associate in our firm's Real Estate practice. Ms. Draham specializes in a broad spectrum of real estate matters.

Ms. Draham offers comprehensive legal advice and representation to the practices' clients in various real estate transactions, including combination deals, establishing residential, commercial, and employment projects, and managing the sale, purchase, and lease of income-generating properties. She also advises on real estate taxation and guides clients from the initial purchase and financing stages, through planning and construction, to the final registration of rights with the appropriate authorities.

Practice Areas

Real Estate
