

Insolvency & Restructuring

Profile

FBC has the leading Insolvency and Debt Restructuring practice in Israel. It represents debtors, creditors, companies, bondholders' representatives and controlling shareholders, and has been involved in nearly all of Israel's most significant debt arrangements, aggregating tens of billions of NIS in recent years.

FBC focuses on the restructuring of debt and equity interests in troubled companies, including negotiation with a variety of interest groups. Its experience in this field extends to complex reorganizations of multinational enterprises involving Israeli and non-Israeli parties and legal systems as well as appearance in Israeli and foreign courts.
