

Litigation

"This team has a firmly established reputation for its superb litigation expertise" Chambers & Partners

Profile

FBC has one of the largest and most diverse Litigation practices in Israel and is a market leader in class actions and derivative suits. It handles some of the most strategically significant cases in Israeli courts and arbitration, and acts for the country's most prominent entities and individuals.

FBC represents clients in disputes involving commercial, corporate, securities, contract, class action, administrative, tender, environment, energy, banking, media, libel, IP, real estate, white collar and other matters.

Representative Matters & Clients

The State of Israel, in its claim for approximately NIS 2B in royalties from Dead Sea Works, a subsidiary of Israel Chemicals

IDB Group, one of the most prominent holding groups in Israel, in several litigation proceedings regarding its subsidiary's debt rearrangement and in restructuring of its unsecured financial debt, and in a variety of securities related class actions and derivative suits

Koor Industries, in a class action claim for over \$100M filed following its multi-billion dollar transaction for the sale of Makhteshim Agan to a Chinese company

Sabre, a world leader in travel commerce and marketing travel products, in a \$100M dispute with El Al

Mekorot, Israel's national water company, in the application for approval of a NIS 4B class action

Lufthansa-Swiss, ABB and Samsung, in complex antitrust class actions and litigation
